Route X59 does not run on Sundays

Local journeys cannot be made within Skipton, between Skipton Bus Station and Overdale.

All journeys on route X59 are run with modern high-quality buses having step-free entrances, flat floors and a dedicated buggy and wheelchair area.

What's changed?

Times of buses from Harrogate and from Skipton haven't changed, but times at other stops between the two towns have been altered so that buses will now run more reliably.

No other changes have been made to route X59.

Buses on route X59 run with financial assistance from

Your Next Bus

Your Next Bus uses satellite technology to track your bus throughout its journey, and knows exactly where the bus is.

To use **Your Next Bus** from your mobile, simply text your bus stop number to **64422**. You'll normally receive a reply within 60 seconds telling you how many minutes away your bus is.

Where your reply shows a time in minutes (e.g. 2 mins) this is real time

Where information is shown as a time (e.g. 17:14) this is scheduled time.

To use **Your Next Bus** from your computer log on to <http://tsy.acislive.com>, where you can enter your service number, obtain bus stop numbers and view live information for service X59.

Your Next Bus - modern technology helping to make your bus journey even easier.
